

# Future Farms

ARABIANS AUSTRALIA

Future Farms annual stallion parade and select sale was held on Sunday 27th August 2017 at their beautiful property in Bolinda, Victoria Australia. Although the weather wasn't kind with the high temperature making 5 degrees celcius, well over 200 people still attended the day to see the incredible group of stallions and sale horses. The day started with a

seminar on breeding with speakers Dr Alison Miles and Doyle Dertell, followed by a presentation of 20 horses (both breeding stallions and sale horses). Live music was played by the talented Kylie Hogan with a Mexican burrito and taco feast and open bar to entertain for the afternoon and into the evening. The day was extremely successful with 27 breedings sold and 8 horses sold on the weekend.
