This month the cover is showing the treasure mares of Haras Cruzeiro, Brazil! The gorgeous Yasmin HWM and the breathtaking Turchiya MPE. Yasmin HWM is a daughter of Legacy of fame and comes out of Dollysia HCF by AF Don Giovanni. Yasmin won her class at the Brazilian Nationals in 2011 and was named Brazilian National Champion in 2012. This year, Yasmin gave Haras Cruzeiro her first foal named Bela LA, sired by Sihr ibn Massai.

The mare Turchiya MPE was imported from Europe in 2011. She is a daughter of WH Justice and comes out of the beautiful BJ Thee Mustafa daughter named Thee Rahiba. Before her export to Europe, Turchiya was already very successful at show. She was named Italian National Champion filly in 2009, Gold Champion filly at the International show in Verona in 2010, Gold Champion filly at the show in Kauberplatte, Silver champion at the show

in Ströhen, Gold champion filly in Travaagliato, became 2nd at the All Nations Cup in Aachen and Top Five and Winner of the best head trophy at the World Championships in Paris. As time went by, Turchiya has become more and more beautiful. Her 2012 filly by QR Marc named Alma LA is spectacular and also this year, Turchiya has produced amazingly for her owner Leandro Aguiar of Haras Cruzeiro.

Other spectacular foals born at Haras Cruzeiro this year are Apolo LA (HDB Sihr Ibn Massai x Shariba), Burca LA (Ansata Shaamis x Alatheia El Jamaal), Barak LA (Marwan Al Shaqab x GHS Mary Rose), Buick La (Ansata Shaamis x Bay Maisa) and Belissima LA (HDB Sihr Ibn Massai x MS Magnolia).

With the foaling season just starting in Brazil, much more spectacular foals are anxiously awaited! □
