AL SHAQAB
(Marwan Al Shaqab x White Silkk) 2010 Stallion

"In our opinion, it is Hariry Al Shaqab's almost perfect conformation, his type and quality that set him apart. He is the heir apparent to his sire, Marwan Al Shaqab and, we believe, the future of Al Shaqab. As an individual Hariry meets our highest criteria and we rank him equal among the most accomplished of all the Al Shaqab stallions. As a show horse, Hariry is undefeated, he was 2012 Scottsdale Champion Junior Colt (unanimous), and 2012 U.S. National Champion 2-Year-Old Colt (unanimous) and U.S. National Champion Colt and in 2013, showing with David Boggs, he was the Iowa Gold Star Champion Stallion, with four '20' scores from the judges and 2013 U.S. National Champion Colt (unanimous),"
says Mohammed Al Sulaiti, Al Shaqab's Breeding and Show Manager.

"I want the world to know how important and special Hariry is, he's one of the most perfect Arabians I've ever seen. Hariry is without question one of those 'once in a lifetime' horses, a 'living bronze,'"
says David Boggs.
