## A GOD'S GIFT TO MANKIND DONNA MOLTA BELLA SRA

WRITTEN BY SONJA SMALDONE

*D*onna Molta Bella! Her name says it all.... No other name would be more suitable for such a beautiful mare! When she was foaled in 2012, expectations were very high for her as she was sired by the Grossmans's six time National Champion, DA Valentino (Versace x DA Love by Padrons Psyche) and out of the National Champion Mare, RD Fabreanna (Falcon BHF x GF Simply Magic by Magic Dream Cahr). However, Donna Molta Bella SRA has met and exceeded every expectation, hope and dream for her. As if a master-painter had utilized just the right amount of each precious bloodline, she has emerged

as a masterpiece of Alsaqran Stud, between Kuwait and the UAE. Most horses are the sum of their parents, their inherited characteristics are immediately identifiable and attributable to their dam or sire. But not Donna Molta Bella. She is one of those truly rare mares that equates to greater than the sum of her parents. Indeed, in Donna Molta Bella all the finest elements of every line of her pedigree are represented in a harmonious blend that could be the most pre-potent source of perfection the world has yet seen. After all, she boasts an impressive show record: 2016 Gold Champion Mare at Dubai International Arabian

Horse Championship UAE; 2016 Unanimous Gold Champion Mare at International Arabian Horse Festival Sharjah UAE; 2016 Gold Champion Mare at International Arabian Horse Championship Abu Dhabi; 2014 World Championship Junior Filly Paris; 2014 Supreme Champion

Filly Arabian Breeders World Cup Las Vegas; 2014 US National Champion Junior Filly; 2013 Region 14 Unanimous Champion Yearling Filly. Globally admired, Donna Molta Bella's appeal went up another gear at the 2016 Paris World Championship last month as she was crowned

World Champion Mare and Best Movement Female. Donna Molta Bella looked just gorgeous in Paris! With her statuesque body, long neck and super type, handler Paolo Capecci also presented her with an elegant trot which combined with her long fairytale mane, captured the hearts of many! She gave the perfect performance that weekend and she already knew she was there to win, the minute she entered the arena and rocked the scene! We do not think there will soon be a mare good enough to challenge her as she

is so close to excellence... Donna Molta Bella SRA will continue her extraordinary show ring career and also begin her breeding career. With Al Saqran Stud also hosting some of the most handsome stallions today, we are very likely to witness other miracles within the stud-farm from this delightful mare! Congratulations to Donna Molta Bella, to Al Saqran Stud and her historical owner Bessam Saqran. Congratulations also to the entire Paolo Capecci's Team to have created such a strong promotion around her!
