Naples Arabians is a successful stud farm led by Linn Tauberman and Reijo Jokiniemi in the beautiful country of Sweden. Having been involved with Arabians many years, Linn has carefully sought together a incredible collections of mares and stallions. Most of them imported from the United States.

The first success of Naples Arabians came already in 2005 with one of their first mares, Rohara Rebecca. A beautiful chestnut mare sired by the incredible Magnum Psyche and out of Somewhere mi Love who is by the immortal Padron and out of a Sasaki daughter. She was bought by Naples Arabians

at Rohara Arabians when Rebecca was still a foal and in the winter of 2004/2005 she came to Sweden together with Rohara Bacara (Padrons Psyche x Sidia). In 2005 Linn and Reijo brought her to several shows in Sweden resulting in Champion filly and winner of the Most Classic Head in Kumla, Champion filly at the Scandinavian Open in Blommeröd and was named National res. Champion filly in Elmia. Also Rohara Bacara made a great entrance, winning his class at the Scandinavian Open in Blommeröd, winning the reserve champion title at the show in Kumla and was named National Champion stallion in Elmia. A great start for Naples Arabians! Rebecca proved

to be a great addition for Naples Arabians as she continued to win important shows all over the world and was always placed at the top. During the All Nations Cup Aachen in 2010, she achieved a third place with 93.20 points and in 2011 she was 3rd at the Al Khalediah Festival in Saudi Arabia. This year Rebecca stands at Schoukens Training Center and is shown two times so far with the result Bronze Champion Mare in Ströben and classwinner, highest score of the show 93,17 and Silver Champion Mare at the West Coast Cup. Also in the breedingbarn she did an excellent job! Rebecca is now in foal to Emerald J.

Rohara Bacara was just as successful. With his incredible movement he impressed many judges and Arabian horse enthusiasts, winning champion titles in Villhelmsborg (DK), Wels (AU), was named many times Swedish National Champion stallion and was also placed at the top at elite shows like the All Nations Cup Aachen in 2008, where he was placed 2nd and the Dubai International show where he was placed third. He also sired some top quality foals like multi champion stallion Bernhard (x Tosca).

Bernhard himself also proved to be an excellent producer, his first filly foal Naples Pearl (x Rohara Bask Melody) was Swedish National Champion Filly and best Swedish Bred Horse and

also Gold Champion Filly at the International B-show in Norway that same year. Shortly after that she was exported to Jordan with titles as Middle Eastern Silver Champion Filly.

In February 2006 two new stars arrived at Naples Arabians. Again imports from Rohara Arabians, America – Rohara Bask Melody (Baske Afire x Louisiana) and Magnum Elegance (Magnum Psyche x Rohara Eclipse) set foot in snowy Sweden. Another great buy as both fillies scored high in the showing as well! In the breeding barn Rohara Bask Melody is an excellent producer with two Swedish National Champions, Naples Belitze (x Rohara Bacara) Turbo International Gold Champion Filly, Sverige Pokalen Gold Champion Filly and Best Swedish Bred Filly, Swedish National Gold Champion Filly and Naples Pearl. She has now a beautiful filly foal by Magic Magnifique at foot. "With Rohara Bask Melody's conformation, type and attitude she can match with any stallion," says Linn.

In the next years some more purchases were made. Another mare coming from Rohara was the athletic Rohara Pamela (Ecao x LC Psupremacy) who has now start her reigning career with Helene Hokkanen. The fantastic Rohara Exotica (Da Vinci x Special Treat) joined Naples Arabians in 2010 and won many shows including a Best in show title in Munkedal, Sweden. Her first foal, Naples Moulin Rouge by ZT Marweteyn is incredible and has a bright future ahead of her! Exotica is now in foal to Kanz Albidayer.

In 2008, a beautiful Marwan al Shaqab daughter arrived at Naples Arabians named GM Marwan al Shakira (x Octavia of Rohan). Also this filly won many show titles, including class winner at the All Nations Cup in Aachen and Scandinavian Gold Champion Filly at Blommeröd! In the breeding barn she produced the exotic Naples Samantha (x Rohara Baccara) and is now in foal to Bernhard.

To Naples Arabians, quality must come first which they proof with their excellent collection of broodmares and offspring. □
