**A** Q't Quy is a 71% Arabian bred Palomino Pinto stallion. Already since a young age he captured the hearts of many and with his particular color, he is a real eye catcher. Q't was bred and is still owned by Jessy Loockx of Yes-I Arabians. This small individually owned breedingfarm close to Brussels, Belgium is focusing on breeding partbred Pinto Arabians as well as Straight Egyptians Arabians. Together with Dorien van Damme, Jessy also runs a training stable for conditioning under saddle and for halter training!

The farm is spacious and all the young stallions, including Q't are being kept in a large herd. The farm has four mares. The Straight Egyptian mares GM Emira (Ibn Barrada x CD Adallah) and Flaxmans Wardah (Niyashin x Princes Last Love) and the part breds Pinto Arabians Yamila bint Sidi (Sidi ibn Mustafa x Laidy) and JEMS Indian Queen (Indian Bogie Wogie x VV Nafika). This last mare is the dam of A Q't Quy and was named Belgian National Champion

mare four times!

Besides Q't, Jessy also owns the Straight Egyptian stallion JK Abu Talal (El Thay Khemal Pasha x MB Taliqaa) and stands the stallion AHC Eskardo (JK Catalyst x AHC Esfania) at stud.

In partnership with Dorien van Damme, she also recently purchased the Straight Egyptian stallion TH Amal (Al Lahab x Ayat).

Pride of the stable is definitely Q't. A Q't Quy is sired by Klepholms Ikarios (Kingsettle Solidus x Bordesley Golden Heights) and is an approved breedingstallion with the Belgium studbook. He is ridden in Western with a bosal and is known for his good manures and cool character. His 71% Arabian blood shines through in his beautiful Arabic type and fantastic movements. Q't has bred his first mares this year and Jessy cannot wait to see the results! The expectations are high! □
